

Job Posting

Position Title:	Fire Alarm Systems Service Technician
Department:	Systems
Reports to:	Systems Manager

Job Summary: The Fire Alarm Systems Service Technician will be responsible for the installation, repair, inspection, and servicing of fire alarm systems and other life safety devices.

Essential Duties and Responsibilities:

- Troubleshoot, repair, and perform tests and inspections on a variety of fire alarm and fire suppression systems
- Perform required preventative maintenance on a variety of fire alarm systems
- Work directly with customer to resolve issues
- Complete all necessary reports to comply with NFPA reporting and recordkeeping recommendations
- Perform 24-hour emergency on-call duties once able to work independently (one week per rotation)
- Will be required to obtain: NICET certifications, multi-state certifications and CDL (Class-C with hazardous endorsement) - company funded

Job Requirements:

- High School diploma or equivalent
- Experience working with fire alarm systems
- NICET certification -- a plus
- Proficient at trouble-shooting hardware problems from blue prints and wiring schematics using multimeters and other tooling
- Strong written and verbal communication skills
- Must be organized and detail-oriented
- Must be a team player
- Customer service experience
- Must be available to work overtime when required
- Ability to adapt to change with little advance notice
- Must have a clean driving record and reliable transportation
- Ability to pass a drug test

Work Environment/Physical Requirements:

- Work offsite at customer facilities – clean/unclean conditions, hot/cold environment
- Ability to lift 50+ pounds and maneuver 300-lb cylinders
- Ability to climb ladders and work from heights in a lift
- Safety shoes, hard hats and other safety apparel may be required at certain sites
- Company uniforms provided
- Some overnight travel may be required

We Offer:

- Medical, dental and vision benefits following 30 days of employment
- Paid PTO during your first year
- 7 paid holidays
- 401K plan with company-matched funds
- Company-logo work attire provided
- Company-paid life insurance, long term disability insurance
- Option to purchase supplemental benefits
- Great working environment at a family-owned company
- Possibility to get company vehicle when capable to work independently
